By selecting this drop down box you can review discontinued medications, errored medications, etc.

When you're done with the MAR and want to return to your charting simply select the 3 lines at the top left of the screen by your client's name

Choose the dark grey strip - you will find it on the right side of the screen to enter the shift documentation

*If you need assistance after following
these instructions please contact your
RN Clinical Manager during the day
OR the RN on call after hours...*

Thanks for all you do...
